

# Contemporary Fine Art Gifts – Trade Brochure

## About Hayletts

Hayletts Contemporary Fine Art Ltd is working with well-known British Artists to bring more art in to everyday life through a range of fun and exciting, good quality, contemporary art gifts and everyday objects.

## Fine Art Tea Towels

We have a range of 8 tea towels that are screen printed on premium cotton from original images. Buyers can read more about the artists and their inspiration on our specially designed packaging.

Screen printing is performed in the UK and is of the highest standard. We use printers who regularly screen print for high profile exhibitions at national UK galleries and gift shops e.g. Tate, Royal Academy.

## Anita Klein Cotton Bags

We are pleased to announce the launch of our first **fine art shopping bag**. The artwork of choice is a stunning woodcut by Anita Klein, **Dreaming of Swooping Birds**. This beautiful print, with its striking composition, will instantly attract attention on the high street. The bags have long handles and are made from 100% natural cotton, unbleached and undyed. They are printed with water based inks that contain no harmful chemicals, making this the perfect gift for the eco-friendly shopper and art lover alike.

### Cost Price

**REDUCED to £2.49 + VAT**

## Fine Art Lens Cloths

Beautiful works of art are printed on to microfiber to create pocket sized lens cloths. Not only suitable for those with spectacles, they can be used on sunglasses, computer screens and other lenses. They are both fun and informative; the packaging includes a card describing the background of the artist and their inspiration.

### Cost Price

Cost price is £1.50 + VAT

## Anita Klein Canvas Bags

*"I Fiore delle Fave (Bean Flowers) was painted in my studio in Tuscany last May when the fields of beans were in flower. The flowers are like giant eyes and a rolling field full is a beautiful sight." Anita Klein*

The image on our first canvas shopping bag, *I Fiori delle Fave*, is one of Anita Klein's recent Italian paintings. Anita now splits her time between London and Anghiari, Tuscany.

The bag has the Anita Klein Wow Factor: Eye catching, sensual and exotic. This beautiful image has been carefully screen printed on to both sides of very high quality, durable, yet finely woven canvas bag measuring approximately 42cm (h) x 39cm (w).
